Dear Tracey Shultz,

Thank you for participating in Home4Good in 2025! Home4Good is a flexible grant program that supports projects, programs and activities that lead to stable housing for those who are homeless or at risk of becoming homeless. This year, FHLBank Pittsburgh was able to commit \$6 million to the Home4Good initiative. The three housing finance agencies in Delaware, Pennsylvania and West Virginia added an additional \$2.394 million, bringing the total amount available in 2025 to \$8.394 million.

Across our three states, we received 116 applications and we are able to provide awards to 110 projects, totaling the \$8.394 million.

We greatly appreciate Greenville Savings Bank's support of the Home4Good program. In conjunction with our partner, the Pennsylvania Housing Finance Agency, we are pleased to share that the projects attached were awarded funds.

All of the organizations will receive notifications from our partner housing finance agency and will be notified of your support. Along with our partner, we extend our congratulations to you on these awards.

If you have any questions about Home4Good, please contact us by email at home4good@fhlb-pgh.com, or by phone at 800-288-3400, Option 3.

Without your commitment and participation, we could not provide these much-needed funds to support homeless individuals and families. We thank you for your involvement and hope you will continue your support of the Home4Good program in 2026.

Thank you,
